STORYPARK ACCOUNT PERMISSION

I,, give permission to the educators of Casuarina Street Preschool to use:

(Please tick the box of the below option that you **WANT** shared.)

☐ Photo

of my child, to create a Storypark account for my child.

Storypark is an easy-to-use private online service that helps teachers, parents and families work together to record, share and extend children's learning.

Teachers can capture a child's development by posting photos, videos, stories, moments, notes and responses. Creating a Storypark account is quick, easy and free for parents and families.

If a child attends an early learning service that uses Storypark, a teacher will create a Storypark child profile and invite the child's parent to it. A parent can download the Storypark for Families iOS app or Android app. They can then invite family members to be part of that profile.

Thank-you
