Preschool Swimming

Preschool swimming will be in terms 1 and 4. Swimming is not lessons as such, however we do talk about water awareness and just enjoy cooling down in the preschool pool during the morning.

It runs much smoother if children are dressed in their swimmers and have sunscreen applied before they come to school.

All children will need to be wearing a rash vest or have their arms/shoulders covered while in the water. If you do not have one of these please let the staff know and we will arrange a shirt for your child.

Children are allowed to have thongs or sandals on but will need closed in shoes to get changed into after.

If you are free on the swimming days we would greatly appreciate parent volunteers.

I _____ give permission for _____ to
